C A T A L O G U E

An ISO 9001:2015
Certified Company

Introduction

Kavalani & Sons is **An ISO 9001:2015 certified**, professionally managed organization, committed to offering complete customer satisfaction. We are Bahrain's most innovative supplier of **Industrial, Construction, Safety, HVAC, Electrical, Plumbing, Waterproofing, Interior and Marine Equipment** and have been in the market for more than 60 Years.

We offer more than 60,000 products from the world's market leading brands under one roof. We strongly believe in innovation and are constantly on the look out to bring innovative products and solutions to the market.

Our quest to introduce new state-of-the-art technologies and products has led to our diversification across different divisions and product lines. Our customers come to us expecting more than just a product, they look out for solutions.

We are pleased to introduce our **FIRE & SAFETY PRODUCT CATALOGUE** which brings together all reputed brands with International Standard into one Single Source.

BLASTING & GRINDING RESPIRATOR

- The 88VX Respirator is NOISH approved as a type C and CE Continuous Flow Class Respirator (Approval No. TC - 19C - 293).
- 88VX Series airline respirators provide advanced protection in the harsh exposures of blasting and painting.
- The helmet provides top impact and penetration protection.
- 88VX respirator components are easily replaceable, saving you lost time in the job as well as the inconvenience of having to replace the entire respirator assembly.

- Optional climate control assemblies permit workers to warm or cool incoming air to maximize comfort and improve productivity.

Head Protection

- Helmet provides top impact and penetration protection.
- Helmet and cape help protect the worker's entire head, face, and upper body from abrasive rebound, airborne contaminants and messy overspray.
