INDUSTRIAL CATALOGUE

An ISO 9001:2015
Certified Company

Introduction

Kavalani & Sons is an **ISO 9001:2015 Certified**, professionally managed organization, committed to offering complete customer satisfaction. We are Bahrain's most innovative supplier of Industrial, Construction, Safety, HVAC, Electrical, Plumbing, Waterproofing, Interior and Marine Equipment and have been in the market for more than 60 Years.

We offer more than 60,000 products from the world's market leading brands under one roof. We strongly believe in innovation and are constantly on the look out to bring innovative products and solutions to the market.

Our quest to introduce new state-of-the-art technologies and products has led to our diversification across different divisions and product lines. Our customers come to us expecting more than just a product, they look out for solutions.

We are pleased to introduce our first **"INDUSTRIAL PRODUCT CATALOGUE"** which brings together all reputed brands with International Standard into one Single Source.

17		Rubber Sheets Rolls, Garbage Bins & Tarpaulins

CONTENTS

FT504
Folding Hand Truck 200 kg

Professional Utility Cart

Folds and opens in seconds. Easy to Use and Store.
Comes 100% Fully Assembled

Rugged Lightweight Design

Made of lightweight and durable Aluminum.
Major plastic stress points are made of durable nylon;
other plastic pieces are polypropylene.

Soft Grip Bar and Protective Handles

Adjustable handles offer knuckle protection and
fold in for compact storage

Fits virtually anywhere at all

From commercial vans, trunks, garages, truck beds to
closets and under furniture for storage.

PC509
Platform Truck 250 kg

Professional Platform Truck

Heavy Duty 4-wheeled Professional Platform Truck.
Folds and opens in seconds. Easy to Use and Store.

Robust Design

Major plastic stress points are made of durable nylon;
other plastic pieces are polypropylene. Tubing material of steel.

Steel Handle

Strong and rigid metal handle for secure maneuvering of loads

Fit for use by almost anyone

From commercial warehouses, retail stores, delivery services to
professional movers

HT514
Hand Truck 200 kg

Industrial Aluminum Hand Truck

Industrial Duty Pneumatic-wheeled Professional Hand Truck.

Robust Design

Made of lightweight and durable Aluminum.
Tubing material of steel. Large Pneumatic Wheels.

XL Platform, Stair Guides

Comes with extra large foldable platform to allow for heavy and oversized
loads and special stair on the back to use on stairs

Fit for use by almost anyone

From industrial factories, commercial warehouses, retail stores, delivery
services to professional movers

PC512
Platform Truck 300 kg

Industrial Aluminum Platform Truck

Industrial Duty 4-wheeled Professional Platform Truck.
Folds and opens in seconds. Easy to Use and Store.

Robust Design

Made of lightweight and durable Aluminum.
Tubing material of steel.

Steel Handle

Strong and rigid metal handle for secure maneuvering of loads

Fit for use by almost anyone

From industrial factories, commercial warehouses, retail stores,
delivery services to professional movers

Industrial Aluminum Hand / Platform Truck

Use as Industrial Duty Pneumatic-wheeled Hand Truck or Heavy Duty 4-wheeled
Professional Platform Truck. Folds and opens in seconds. Easy to Use and Store.

Robust Design

Made of lightweight and durable Aluminum.
Tubing material of steel. Large Pneumatic Wheels.

Steel Handle

Strong and rigid metal handle for secure maneuvering of loads

Fit for use by almost anyone

From industrial factories, commercial warehouses, retail stores, delivery
services to professional movers

MT515
Hand Truck 250 kg

MOVE THAT TRUCK

WYPALL* X80 Cloths

Reusable & strong cloths for tough maintenance & wiping tasks.

Fast, high absorbency coupled with great tear resistance strength:

- **Tear resistant, fast absorbing HYDROKNIT* Material**
Strong enough to clean the roughest surfaces without falling apart
- **Use with water and solvents**
Can be rinsed out and reused
- **Roll and sheet dispensing formats**
To suit your needs

WYPALL* X60 Cloths

Versatile and durable, for precision wiping.

Created for light duty, general purpose wiping tasks, including glass cleaning:

- **Conformable and light-weight**
For delicate part cleaning, soaking up light spills, reaching difficult surface areas and hand wiping.
- **Suitable for thinner and solvent application**
Yet strong enough to scrub off adhesive, remove oil and debris
- **Sized specifically for lighter tasks**
Giving consistent performance, helping to reduce waste and operational costs

WYPALL* L40 Wipers

Efficient general-purpose single use wiper.

Utilising our unique Double Re-Creped (DRC) base sheet technology, WYPALL* L40 Wipers absorb liquids, oil, grease and larger spillages fast:

- **High-absorbent single use wiper**
Unique sponge-like inner layer soaks up liquids fast, staying strong when wet
- **Suitable for most surfaces, including hand/face use**
With soft, touchable outer layer
- **Rolled and folded sheet dispensing formats**
To suit your needs

Code No.: 7425
Case contents: 1 x 750
Sheet Size: 38 x 23.5 cm
Related Dispenser: 6146, 6154, 6155

WYPALL* L30 Wipers

Exceptional performance, excellent value.

If you are seeking a strong, absorbent single use wiper that is cost efficient, WYPALL* L30 Wipers delivers on both aspects:

- **Touchable, lightweight cloth feel**
Making it soft enough for personal face/hand use
- **Reinforced inner grid**
Unique DRC structure for strong and absorbent wet surface cleaning
- **Great everyday price**
Cost efficient alternative to airlaid wipers

WYPALL* L20 Wipers

For light, precise wiping tasks.

If you are seeking value and versatility for everyday wiping tasks, our reliably absorbent WYPALL* L20 Wipers can reduce the number of wipers you use:

- **Fast absorbing textured multi-ply wiper**
Constructed specifically to clean light surface grime and mop up small spills
- **Gentle wiping**
For delicate polishing and removal of dust and grime
- **A choice of high-capacity formats**
To suit your needs

Code No.: 7240
Case contents: 1 x 1000
Sheet Size: 38 x 33 cm
Related Dispenser: 6146, 6154, 6155

Speciality Wipers

KIMTECH* Process Wipers

Strong, low-lint surface wipers for repeat use with cleaning chemicals and solvents within Transportation and the Industrial Manufacturing environment.

KIMTECH* Aerospace Cloths/ Low Lint Cloths

- **Highly durable** aerospace cloths specifically designed for abrasive surfaces.
- **Advanced material** for optimum linting and extractables control.

Code No.: 38667
Case contents: 1 x 60 = 360
Sheet Size: 32 x 31 cm

WYPALL* Microfibre Cleaning Cloths

Suitable for controlled areas like Transport, healthcare & manufacturing. Ideal for dry polishing task, surface preparation for pre & post paint applications & for polishing glass surface.

WETTASK* Roll Wiper Dispenser Bucket/Blue

A refillable, airtight wiping system using pre-soaked cloths to help control the cost of solvents & disinfectants and improve safety by reducing spills. Ideal for wiping & preparing industrial & healthcare surfaces using your chosen solvent, chemical & detergents.

Our WETTASK* System reduces solvent consumption by at least 20% compared to traditional rags and other open systems.

Just choose the KIMTECH* Wipers that works best for your task, then add the chemical solution you already use. Add up to 2.5 litres of solution or until the wiper is wet enough for your application.

Dispensing System

Our dispensing systems are designed to ensure that the right amount of products is taken. Helping you to control usage & reduce wastage.

Deca is one of the leading Companies manufacturing welding equipments. It has been on the market for 40 years obtaining ever increasing success. The company's mission is to manufacture welding equipments able to satisfy the requirements of all kinds of welding: do-it-yourself, maintenance, workshop technicians, professional welders.

MOS 210 GEN

Input voltage: 1 Ph x 230
Welding current range: (AMP) 5 – 165
Power — Kw: 4.5 **Weight — Kg:** 4.0

STAR 270 E

Input voltage: 1 Ph x 230
Welding current range: (AMP) 30 – 200
Power — Kw: 2 – 6 **Weight — Kg:** 21.0

T-ARC 525

Input voltage: 1 Ph x 230
Welding current range: (AMP) 40 – 250
Power — Kw: 4.0 **Weight — Kg:** 26.0

T-ARC 530

Input voltage: 1 Ph x 220
Welding current range:
(AMP)(50V) 15 – 300, (70V) 15 – 270
Power — Kw: 10 **Weight — Kg:** 62.5

T-ARC 845

Input voltage: 1 Ph x 220
Welding current range: (AMP) 110 – 550
Power — Kw: 17 **Weight — Kg:** 74.0

P-ARC 526

Input voltage: 3 Ph x 230
Welding current range: (AMP) 40 – 260
Power — Kw: 12 **Weight — Kg:** 66.5

P-ARC 840

Input voltage: 3 Ph x 230
Welding current range: (AMP) 65 – 400
Power — Kw: 21 **Weight — Kg:** 119.0
